Dan Lohrmann — Keynote Address @ Noon:

"e-Security: 10 Things that Keep Me Up at Night" will focus on cyber bad guys in enterprise security, current legislation, budget cuts, protecting critical infrastructure, personnel issues and cultural change. This informative session will be presented by Dan Lohrmann, Michigan's first Chief Information Security Officer, Representative to the Department of Homeland Security's Government Coordinating Council in Washington, D.C., President of Michigan InfraGard, and Director of the State's Office of Enterprise Security.

Other speakers include:

Matt Hester: Microsoft TechNet Presenter
"Security in Windows Vista" and "User Account Control in Windows Vista"

Paul Doyle: ProofSpace, Inc., CEO
"Data Integrity, New Technologies and Emerging Case Law"

Tom Hines: President of Michigan Homeland Security Consortium and Secure Matrix
"Convergence of Physical and Logical Security from the Parking Lot to the Network"

Jim Soenksen: Pivot Group, CEO
"How to Get the Most Out of Your Next Information Security Risk Assessment"

Scott Hiipakka: Vice President, Patriot Services
"Pandemic Flu: Is Your Business Ready?"

Brian Gawne: Veritas Global LLC, Managing Director of Forensics Services
"Intellectual Property Protection, How to Stop the Data Loss" and "Forensics 101 - What you really need"

Compliance Panel: "The Risk & Rewards of IT Security Compliance"

Moderator - **Cathy Luders**, Steelcase, Global Compliance Leader

Panelists: **Tala Davidson**, Pfizer QA Manager - Global Systems Compliance,

Allison Holified, Steelcase Worldwide Sarbanes Compliance Manager,

Norbert Kugele, Esq., Warner, Norcross & Judd,

Vincent I. Polley, Esq., Dickinson Wright PLLC
